Administration	We can't believe the school isn't ready. We were promised September, and it won't be until October. What will I tell parents, staff, or the kids? How will I explain this to them? I am so stressed!
Teachers	
Parents	Will it be safe for my kids? What if something falls on them? Will there be lunch provided? What if school starts later? I expect my tax paying dollars to go toward a safe, nice-looking school where I send them each day!
